## Birthday Parties!

We are proud to announce that we are now scheduling **LEGO Birthday Parties** at our **Math 'n' Stuff Annex** located **2 blocks north** of our main store.

We have bins of **LEGO minifigure parts** and tubs of **bulk LEGO**, so you can pick and choose the pieces you need complete your collection! The **LEGO** that we have for you to build with varies from vintage/classic pieces to brand new bricks. It includes regular bricks, wheels, gears, windows, and many other pieces ranging in age from recent to more than 15+ years old!

We supply the play area, tables, chairs, balloons, streamers, and a Happy Birthday sign. You can bring cake, pizza, or other party foods/drinks.

<b>Time</b>	1.5 hours
<b>Cost</b>	\$125.00
<b># of Children</b>	7
<b>Cost Per Additional Child</b>	\$15.00
<b>Party Favors (per child)</b>	1 lb. LEGO or 4 Custom Minifigs

The cost for the party starts at \$125. This covers up to 7 children and each additional child is \$15. Every child takes home 1lb of bulk **LEGO** (not including minifigure parts) and one customized **LEGO** minifigure.

The party lasts 1.5 hours, the first hour for **LEGO** and the last half-hour for food/cake/presents/etc.

One or two Math 'n' Stuff employees will be present, and we require at least one parent or guardian of the birthday child to remain on-site for the duration of the party.

In order to cater to different schedules we are offering Saturday and Sunday time slots. During school vacations, weekdays are also available. If you have any further questions or to schedule a party please call or e-mail us. When scheduling, we require a \$50 deposit to hold the date and the time slot.
